Gentlemen:

This is to confirm arrangements for a meeting of the Committee of Counsel at 10:00 a.m., on Wednesday, March 31, 1976, in Lorillard's fifth floor conference room. I assume you will notify your litigating counsel as you deem appropriate.

The principal matter for consideration will be the FTC's letter of March 24th. I solicit your suggestions by telephone on Monday of specific discussion points regarding the subjects raised in the FTC's letter, including litigation and negotiating matters.

It also appears necessary to schedule sufficient time at the conclusion of our FTC discussions for consideration of:

1. The Washington University Project (Hardy's letter of January 30, 1976).
2. The proposed Salvaggio Project (Hardy's letter of March 17, 1976).
3. The Gori "proposal" for Tobacco Work Group testing of flavor compounds.

Accordingly, Dave Hardy will endeavor to have someone from his office in attendance.

Finally, please also advise my office as to how many people will accompany you so we may make suitable arrangements for a buffet lunch.

I look forward to seeing each of you on Wednesday.

Regards,

  
Arthur J. Stevens
